

Referencing sources of information in CHEM 331

For citing references in lab reports, assignments and research poster, use bracketed numbers in the body of the text (*I*), numbered in the order of appearance and listed in that order in the bibliography as end notes. The style format for the bibliography should follow that used by the journal *Environmental Science and Technology* and depends on the type of material being referenced (i.e., journal article, book, website etc ...).
